Schedule 2 to Certificate of Approval

Number: CASA.COA.0380 Revision: 4 Reference Number: 1-D4Y3W

Approved activities set out in Schedule 1 are subject to the following conditions:

- 1. The Reference Number must be used when the Civil Aviation Regulations 1988, the Civil Aviation Safety Regulations 1998, or an instrument made under any of these regulations requires a CASA reference number to be included in a Form or other document, for the purpose of the regulations or the instrument.
 - Note: The Reference Number is the certificate holder's original or "legacy" reference number to be used and cited as it has previously been used or cited.
- 2. All maintenance carried out at Temporary Locations must be carried out in accordance with the provisions of the Leader Aviation Procedures Process Specification Manual, procedure number PS-07. Proposed changes to the content of PS-07 relating to activities carried out at Temporary Locations must be accepted by CASA in writing before being implemented.
